Specifications

- Metal powder coated rust free robust model.
- Weight & measurement approved
- Stainless steel platter of high quality
- Advanced microprocessor based design
- Simple & easy operation with Feather touch keys
- A/C Power supply operating between 90VAC to 270VAC
- Rugged & reliable design
- Battery backup for 25 hrs
- Fast weighing response time
- Auto power off
- Internal ADC-count of 2,50,000
- High brightness LED display
- Sealed to prevent rodent entry

Optional

RS-232C serial interface
